*Campaigns must have been active
in the Republic of Ireland and/or
Northern Ireland between Jan 1st
2020 and December 31st 2021.*

Good quality research provides evidence that is robust, stands up to scrutiny and can be used to inform the comms/media strategy. It should adhere to principles of professionalism, transparency, accountability and auditability. This category looks for research activity that has uncovered insight(s) that have informed and led to a successful media campaign.

The research does NOT necessarily have to be a new research technique but rather it should uncover an understanding that has led to unlocking advantage for your clients' approach and business success.

Demonstrable results are key here

Entries will be submitted online at www.mediaawards.ie and will strictly follow the structure laid out in the online entry form. For guidance on preparing your entry see the sample entry templates here.

Research initiatives must have been carried out in the Republic of Ireland and/or Northern Ireland between Jan 1st 2020 and December 31st 2021.
