Campaigns must have been active in the Republic of Ireland and/or Northern Ireland between Jan 1st 2025 and March 19th 2026.

By addressing these criteria in your entry, you can effectively demonstrate the strategic, creative, and measurable value of AI in your media campaign.

This award focuses on demonstrating innovation, measurable impact, and alignment with campaign objectives. Below are key criteria to structure your entry: Overall, you will need to demonstrate how AI contributed to achieving the campaign's goals (e.g., driving awareness, increasing engagement, improving ROI). Explaining how AI was integrated into an overall campaign strategy or how it was developed as a standalone activation. A critical component is to clearly demonstrate what specific AI tools and techniques were used to deliver against your goals.

Please explain in detail how you leverage the capabilities of AI across either personalisation, engagement, content execution.

For effectiveness and results, please provide data showing how AI improved campaign performance across your chosen campaign objectives – Increased ROI or Sales, Higher Engagement Rates (e.g. clicks, likes, shares, dwell time), enhanced audience retention. And, how did AI contribute to achieving your overall KPIs?

It is also important that you demonstrate your use of AI was transparent and ethical. And finally, how do you see scaling AI for future campaigns?
